Appeals

Should you miss the entry criteria to get into our Sixth Form; 6 GCSEs at Grade 5 or above including English and Maths, but are close, we do have an Appeals Committee, which looks at cases where there are extenuating circumstances which may have influenced performance. This committee will also examine some cases where a student has not got the grades to take a particular subject.

For the Appeals Committee to consider a case we need:

- A completed appeals form - outlining the reasons to be considered for extenuating circumstances
- Evidence, if available, to back up this claim
- The form and all evidence to reach Miss Leggett by Friday 23rd August at 10.00am. This can be hand delivered to school FAO The Sixth Form office or sent via e-mail to sixthform@ribstonhall.gloucs.sch.uk
