

Sociology Summer Homework

- Find a recent news article that outlines something that affects society.
- Research the views of Karl Marx, Talcott Parsons and Ann Oakley and how they see society.
- Attach a copy of the article to the middle of an A3 sheet of paper.
- Around the outside, summarise the views of the three sociologists and then outline what you think they would say about the issue in the article.
- Highlight how the three Sociologists would disagree with each other.
