Person(s) responsible:	Headteacher
Date of next review:	July 2026
Designated Teacher:	Debbs Hay (Y7-10) Andy Barnard (Y11-13)

Rationale

At Ribston Hall we believe that all Children in Care, and those Previously in Care, should have equitable access to excellent educational provision and achieve at a similar level to all Gloucestershire children. As a community, we aim to be champions for Children in Care and take a proactive approach to support their success, recognising that we have a vital role to play in promoting their educational achievement and social and emotional development.

To do this we commit to:

- Supporting them to raise their aspirations.
- Giving them a sense of control over their own lives.
- Fostering positive attitudes and behaviours.
- Providing continuity and 'normality' for those who may have been subject to emotional distress, abuse, and disruption.

Definition: Who are our Children in Care?

Most Children in Care will be living in foster homes, but a smaller number may be in a children's home, living with a relative or even be placed back at home with their parent(s) sharing parental responsibility with the Local Authority.

Under the Children Act 1989, a child is in the Care of the Local Authority if he or she is provided with accommodation for more than 24 hours by the Authority. This includes the following:

- (a) Children who are accommodated by the Local Authority under a voluntary agreement with their parents.
- (b) Children who are the subject of a Care Order or Interim Care Order.
- (c) Children who are the subject of Emergency Orders for the protection of the child.

Legal Framework

- From 1 September 2009 all Governing Bodies were required under the Children's and Young Persons Act of 2008, to appoint a Designated Teacher to promote the educational achievement of Children in Care.
- The Families Act of 2014 also required all Local Authorities to appoint a Virtual School Headteacher to ensure that the educational achievement of Children in Care was seen as a priority and to ensure arrangements were in place to improve their educational outcomes.
- Previous legislation and guidance from the Department for Children, Schools and Families (DCSF), Department for Education (DfE) and the Department of Health (DH) requires schools to have effective policies for supporting and promoting the education of Children in Care.

Schools Requirements

- Ensure access to a balanced and broadly based education for all Children in Care.
- Prioritise recording and improving the academic achievement of Children in Care.
- Prioritise a reduction in the number of exclusions and truancies for all Children in Care.
- Ensure there is a (qualified) Designated Teacher to promote the educational achievement of all Children in Care who are on the school roll.
- Develop effective systems of communications and protocols.
- Promote the attendance of Children in Care.

Objectives

At RHHS to ensure support for Children in Care we will:

- Create a whole school ethos in which all staff understand their responsibility in supporting the role of Corporate Parent.
- Provide a safe and secure environment, which values education and believes in the abilities and potential of all children.
- Bring the educational attainments of our Children in Care in line with those of their peers.
- Make sure that they have access to education appropriate to their age and ability. This includes access to a broad and balanced curriculum.
- Balance high levels of support with challenge and high expectation to ensure rapid progress.
- Have a Designated Teacher (DT) for Children in Care who will act as their advocate and coordinate support for them, liaising with carers, parents (as appropriate) and Social Workers on a wide variety of educational and care issues.
- Work alongside the Social Worker, Virtual School and other professionals to ensure that each Child in Care has a current, good quality Personal Education Plan (PEP) in place which includes challenging, curriculum-based targets and is an effective tool which supports the young person and helps them make excellent progress.

- Ensure that Pupil Premium Plus funding is used to provide additional, personalised support as identified in the Personal Education Plan.
- Closely monitor each child's attendance and academic progress, working and sharing information in a timely manner with the Virtual School to help ensure each child achieves the best possible educational outcomes.
- Ensure there is a well-planned and coordinated approach to meeting the child's educational and social needs, for example, whether potentially disruptive changes in school can be prevented.
- Plan for future transitions effectively.

All staff and Trustees are committed to ensuring improved educational life chances for Children in Care by ensuring that the relevant personnel have reasonable support and time to complete tasks and responsibilities. Also, to establish and maintain appropriate reporting and monitoring procedures, both within the school and with other agencies.

In addition, we will:

- Challenge negative stereotypes amongst students and staff.
- Closely monitor the social and personal progress of all Children in Care.
- Ensure discretion when addressing a child's Care status and the background and family history of children who are in Care, especially surrounding teaching and learning relating to the family.
- Ensure a clear protocol is followed in the sharing of information, both within school and with outside agencies.

In pursuit of this Policy, we will:

- Nominate a School Trustee to ensure that the needs of Children in Care in the school are taken into account at a school management level and to support the Designated Teacher.
- Support the Designated Teacher in carrying out their role by making time available and ensuring that they attend training to support Children in Care.

Admissions and Transitions

We will:

- Prioritise the admission of Children in Care, and those who have been adopted who have a Special Guardianship Order, within our own Admissions procedures in order to admit students without delay, recognising the importance of re-establishing school stability for Children in Care.
- Ensure that all Children in Care meet the Designated Teacher who will identify any relevant issues, academic or pastoral.
- Ensure a warm welcome to our school by providing appropriate induction for all Children in Care so that there is a smooth and successful transition which includes carers and parents where appropriate.
- Make sure that on admission or transfer all relevant information records are obtained at the outset.

- Inform the Carer / Virtual School / Education, Performance and Inclusion Team / Social Worker / Parents (if appropriate) if there are any concerns about attendance.
- Acknowledge attendance in any education meetings, celebrating success and setting realistic targets if it is a concern.

Exclusion (also see our Behaviour Policy)

We will:

- Actively follow the Gloucestershire County Council's Protocol for Reducing Exclusions of Children in Care and follow the Child in Care Transfer Protocol/Procedure if a child is at risk of permanent exclusion.

Multi-Agency Liaison

We will:

- Support the child to engage fully in planning and decision making.
- The Designated Teacher will liaise closely with carers, parents (if appropriate) and the child's Social Worker on a variety of issues, including homework, kit and equipment required. It is important that positive messages about behaviour and achievement are shared.
- There will be a clear understanding about the role and responsibility of staff in relation to the child and the roles and responsibilities of the other professionals involved.
- Our staff will share positive perceptions and high expectations of the child with other professionals but especially with the child.
- Be aware of, and sensitive to, the appropriate role of the parents.
- Our Designated Teacher will ensure that requests from the LA for statistical or other information held by the school are completed and returned on time, to comply with statutory obligations.
- Encourage each of our Children in Care to access out of hours learning activities realising the positive impact this could have on their self-esteem and learning.

Personal Education Plans (PEPs)

We will:

- Hold a PEP meeting in time for every Statutory Care Review that involves the Social Worker, Foster Carers, child and parent (if appropriate). Additional attendees may include Educational Psychologist/Advisory Teachers, Therapists, Health, Virtual School etc. We will seek the views of the child as to appropriate attendees in line with the statutory guidance.
- Have a high-quality PEP for each child which includes appropriate targets and has been quality assured by the Virtual School.
- Contribute to the process whereby all Children in Care have a high-quality PEP in place within 20 days of starting at the school. This will include SMART educational targets and will be linked to the child's Care Plan and any other plan resulting from the assessment of the child (IEP, PSP, Statement of Educational Need/EHCP).
- Make certain that following the writing of a PEP, any educational recommendations in the PEP will be adhered to by our staff in order that all our Children in Care have the opportunity to fulfil and achieve the targets set.
- Ensure that Pupil Premium Plus funding is carefully targeted to improve the educational outcomes of the Child in Care and used as identified in the Personal Education Plan.
- Seek to nominate our Children in Care to the Virtual School for the annual Children in Care Celebration of Achievement Events.

School Trips and Special Activities

We aim to ensure that Children in Care enjoy as many extra-curricular opportunities as possible by reserving places for them on trips or enrichment activities for which they are eligible. The responsibility for giving permission for school trips and enrichment opportunities is that of the Social Worker, sometimes delegated to Foster Carers. The person who may give permission will be clarified at the first PEP meeting.

Complaints

If a young person, parent or Social Worker wishes to complain about the provision or policy, they should, in the first instance, raise it with the Designated Teacher, who will try to resolve the situation alongside the carer and Social Worker.
