

Ribston Hall High School

Charging and Remissions Policy

Date: November 2016

Person(s) responsible: Finance Committee

Date of next review: November 2019

In order to encourage the fullest possible provision of educational visits and extra-curricular activities, the school will:

- 1) charge for activities which are outside school hours and are not part of the National Curriculum or preparation for a prescribed examination;
- 2) request voluntary contributions from parents for school activities (whether in or out of school time) for which compulsory charges cannot be made, but which can only be provided if there is sufficient voluntary funding to cover the full costs.
- 3) charge for all accommodation costs on residential visits (except where there is an entitlement to remission);

Note: Where possible the school will seek to ensure that no student is excluded from any activity by reason of inability to pay.
