

Ribston Hall High School Attendance Policy

Date of Policy:	May 2021
Persons Responsible:	Headteacher
Date of next review:	May 2023

Aims

At Ribston Hall High School, we are committed to meeting our obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly and will promote and support punctuality in attending lessons.

Legislation and Guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#) (and [2010](#), [2011](#), [2013](#), [2016](#) amendments)
- [Gloucestershire local authority guidelines](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

Roles and responsibilities

The Governing Board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the Headteacher to account for the implementation of this policy.

The Headteacher

The Headteacher is responsible for:

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Recommending the issuing fixed-penalty notices, where necessary

The Attendance Officer

The School Attendance Officer is a member of the pastoral support team. They:

- Record calls and messages from parents about absence and record it on the school system.
- Monitor attendance data across the school and at an individual pupil level
- Reports concerns about attendance to the assistant Headteacher i/c Pastoral Care for KS3 & 4
- Supports the assistant headteacher i/c pastoral care to implement the five-point attendance procedures, including arranging calls and meetings with parents to discuss attendance issues (see Appendix 2)

Form Tutors and Classroom Teachers

Form tutors (morning registration) and Classroom teachers (afternoon registration) are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information into Cloud School (the school's MIS system).

Recording attendance

Attendance Register

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register in registration with the tutor at the beginning of the day, at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

See Appendix 1 for the DfE attendance codes.

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 08.40 on each school day.

The register for the first session will be taken at 08.40 and will be kept open until 09.00. The register for the second session will be taken at 13.30 and will be kept open until 13.40.

Unplanned absence

The pupil's parent/carer must notify the school on the first day of an unplanned absence by 08.30 or as soon as practically possible (see also 'attendance monitoring'). The most effective method is using the school messaging service, through PS Connect and the My Ed app. Parents/carers can also telephone the school and leave a message on the absence line. This number is 01452 382249.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents/carers will be notified of this in advance.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment using the school's established communication methods.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Read the section 'approval for term-time absence' to find out which term-time absences the school is able to authorise.

Lateness and punctuality

A pupil who arrives late:

Before the register has closed will be marked as late, using the appropriate code

After the register has closed will be marked as absent, using the appropriate code

Ongoing punctuality issues will be addressed by...

Following up absence

Where any child we expect to attend school does not attend, or stops attending, the school will:

- Follow up on their absence with their parent/carer to ascertain the reason, by daily phone calls, initially by the Key Stage pastoral assistants.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use
- Ensure proper safeguarding action is taken where necessary

Reporting to parents

Parents will receive information on attendance alongside attainment data at each assessment point, which is at three times a year. Parents can also access live attendance data through their Cloud School login.

Authorised and unauthorised absence

Approval for term-time absence

The Headteacher will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the Headteacher's discretion.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A request for leave of absence form can be obtained from the pastoral support staff or respective head of year.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments
- One off events which are unavoidable, examples may include the death of a close relative, attendance at a funeral, respite care of a looked after child, a housing crisis which prevents attendance.
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- Study leave in the Upper school
- Other possible 'exceptional circumstances' where the Headteacher may grant term-time holiday.

Reducing persistent absence

Where persistent absence is recorded the school will work closely with parents/carers, and other external stakeholders that might be supporting the pupil.

The school will challenge persistent absence using the Five-Stage attendance procedure highlighted in Appendix 2.

Legal Sanctions

The local authority, on behalf of the school, can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a Headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

More information on the legal sanctions using in the county can be found [here](#).

Strategies for promoting attendance

The school reward both 100% attendance, and those students showing significant improvement in attendance through the pastoral system. Pastoral team will issue certificates and write letters home reflecting positive behavior patterns.

Attendance monitoring

The attendance officer at our school monitors pupil absence on a daily basis.

A pupil's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2).

If a pupil's absence goes above three days, the school will contact the parent/carer of the pupil to discuss the reasons for this.

If a pupil's absence continues to rise after contacting their parent/carer, we will consider involving the local authority inclusion team.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board, through the safeguarding and attendance report produced for each full governing body meeting.

Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every two years by the assistant Headteacher i/c of pastoral care. At every review, the policy will be approved by the full governing board.
